We take data protection very seriously and make every effort to ensure that your personal information is handled responsibly and in accordance with EU rules and regulations.

The following paragraph outlines how your personal data is processed after using our reservation system. Collection of personal data: Your Personal data will only be stored for the sole purposes of making a booking. Your personal data will not be sold or passed on to any third parties. The personal data collected when an individual makes a table reservation will only be used to create and manage your booking. We would only ever share your provided personal data with authorities/ governmental institutions in the event of a court order. Responsible party, right of revocation and right to information:

All Personal Information required when making a booking will be processed by Hotel Almhof Schneider, Tannberg, 6764 Lech am Arlberg, in accordance with the Data Protections Act. Your personal information will remain on our system after your booking purely for internal use. You reserve the right to request information on how your personal data is being used at any time, free of charge. You reserve the right to update or delete any personal information we may have stored after your booking is complete. Please send us an email to info@almhof.at should you wish to request, update or delete any of your personal information we may have saved.

Security of personal data: We do our best to protect your data against any accidental or intentional manipulation, loss, destruction or unauthorized access. Our security measures are constantly being improved and updated. Unfortunately, the disclosure of information over the Internet can never be 100% secure and can therefore not be held liable for any accidental loss of data. Any data shared is done so at your own risk.
